THE RESIDENTIAL METAL ROOFING COLLECTION BY VICWEST

Curb appeal starts at the top and Prestige tops them all with its combination of dramatic lines and lifetime performance. Backed by a 50-year lifetime limited transferable warranty, a Prestige roof will bring decades of peace of mind and add resale value to your home.

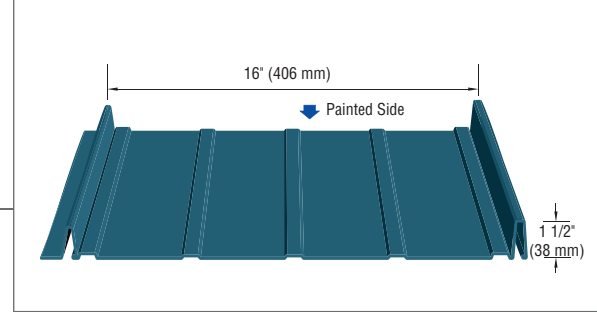

Our Prestige system has no visible fasteners. Its unique snap-in-place design makes it extremely popular for those wanting to mimic the artistic appeal of authentic standing seam. Batten style rib spacings are available in 12"* , 16" and 20"*.

Why Metal is worth the investment

Ordinary roofing materials have shorter life spans and will need to be replaced regularly, especially in areas that see an influx of hot and cold temperatures coupled with high weather activity. With constantly increasing material and labour costs, this could result in significant expense over the life of your home. A roof purchase isn't something you plan on, so why do it twice? With warranties up to 50 years, a Vicwest metal roof will save you money and future financial worry since you'll never have to re-roof again! In addition, the enhanced curb appeal and durability it provides can help increase resale value should you decide to sell your home.

Prestige will add architectural interest to any structure
